Funding Procurement for Future Delivery [REDACTED]

25X1A2D1

REFERENCE: Memo fr C/SD to BD dtd 14 Nov 60

1. In the past, the Budget Division has provided for the funding of known approved inventory increases, such as that for JMARC, by special arrangement with the offices concerned. Your proposal and subsequent discussions with members of your staff suggest several improvements.

2. Mr. [REDACTED] of your staff has suggested that periodic reports of inventory build-up procurement can be furnished to the Budget Division. This will provide data for analysis of Agency procurement and support our "reservations" of funds. Since such inventory build-up actions are relatively uncommon, it is also suggested that a request be obtained from the office concerned and that the request for such procurement be coordinated with the Budget Division to assure, in advance, that funds can be made available for the procurement. It is my understanding that your staff concurs in this proposal.
